

## Coronavirus Edition #3

Just some information and ideas since our last update.

### **From Sylvia:-**

I have just been up to the golf club @ Scraftoft and Simon advised me that the steward there is setting up a stall on the corner by the metal gates with veg, fruit, bread, milk etc.

He is also offering fresh cooked food, including Sunday lunches, and various other meals. Due to legislation he has had to close, but can do take away, it is his own business so if we can support him it would be good for us all, and give the Supermarket a miss.

Thought it was a good idea if you could circulate this via KN.

*[no further information on times etc. but if you're driving by you may want to drop in if open. Ed]*

### **From Geoff:-**

My theatre nurse sister has forwarded this to the family.

It is authoritative and I think says all that we need to know about this serious virus.

Worth I think circulating to all residents of Keyham.

**Your feedback and additional ideas are very important and welcome to either Anna (viggers1@hotmail.co.uk) or KN**

### **From Tony:-**

I wonder how many people who have iPads or similar devices in the village are still fetching newspapers from the shops; this isn't a good idea.

I'm happy to help (electronically) anybody that wants to switch to an online version.

*[I signed up to the digital version of the Times & Sunday Times at the start of the week. Really good with everything there from the printed version at less than half the price. Ed]*

### **From Claire:-**

I am free to run errands for anyone when needed and...

A list of free, online, boredom-busting resources!

This is a great on line resource for masses of free courses, books, virtual tours etc. etc.

Plenty to keep us occupied at home!
